Charity is a good thing. Charity plus drinking is an even better thing. This is one of the reasons that [Heart's Delight](#) is one of my favorite non-profits, because they consistently host charitable events that feature fine selections of alcohol, and their next event will be no different. Heart's Delight will be hosting a membership drive at [the Passenger](#) on Monday, June 14. It's a great opportunity to learn more about the organization and to join up. 10% of all sales will go to the American Heart Association. I highly recommend that you check it out.
