A New Vintage puts a sparkle in American Heart Association's annual Heart's Delight

February is only days away and hearts abound.

The original organization dedicated to keeping American hearts beating healthier, longer and stronger is gearing up for the annual Heart's Delight, a premier wine tasting and auction May 7-9, benefitting [The American Heart Association](#). Heart's Delight has raised over seven million dollars in over the past nine years.

Uncorked this year is a new professionals group who will fundraise, alongside veteran heavy hitters, and breathe fresh energy into the blend of philanthropists and wine aficionados involved.

[The New Vintage](#) officially organized in December but toasts its founding members and invites young, bright, social locals to a private wine tasting at [Enology Wine Bar](#) in DC on February 4th. Sample wine from [Domaine Carneros](#) with winemaker [Eileen Crane](#).

Adding a twist, members of the New Vintage Host Committee will vie for the chance to be named DC's biggest Heart Throb, a title bestowed upon the individual who raises the most money during February and March. Ticket sales to the private wine tasting will rack up towards these goals.

Heart disease is still the number one killer in the nation. Stroke remains number three. Have a heart and keep yours healthy. Cheers.
